Adult Conference is celebrating its 80th anniversary this year! Adult Conference is planned, organized and run by the officers elected at the conference each year, along with several at-large members of the Planning Team. We work toward exploring our theme each year in such a way that it is woven throughout the entire conference, and this year is no different. When we came together for our September planning meeting we were inspired by Psalm 46:10-11. With this in mind, the theme of the 2017 Adult Conference is **“Be Still & Know-Selah”**, (pause and calmly think of that). We are pleased to welcome Rev. Dr. Judy A. Alston, Professor at Ashland University as our Vesper Speaker, and Dr. Lisa Davison, Professor of Hebrew Bible at Phillips Theological Seminary in Tulsa as our Bible Lecturer.

Adult Conference is full of endless possibilities where faith is deepened and broadened, ministry leaders are born and nurtured, and fellowship within the wider Church is strengthened. Adult Conference is an inclusive, welcoming place, where conferees are free to explore issues openly, honestly, and without judgment. Through Adult Conference, conferees may find that God is calling them to explore horizons they had never considered or even dreamed of before. We hope that many will be able to experience the far-reaching impact that Adult Conference has in the lives of individuals.

Scholarships are available for those who wish to attend but do not have the means to do so, and those details will be in the accompanying letter.

If you have any questions about Adult Conference, please do not hesitate to contact me. I am always happy to share my experiences of Adult Conference and what it has meant in my life.
